

Benton Ranger Football Off-Season Workouts - Week of May 25th, 2020

Print this sheet and use it to keep track of your workouts for the week. If you do not have a printer, duplicate it with paper and pen. There are 4 lifts for the week. Complete 1 core lift per day and record your results. It would be best to start on Monday and finish on Friday with your day off somewhere in the middle. Complete auxiliary lifts from the suggestions or others on your own. We have done most of these at some point, but Starks has some additional equipment that you can utilize. If you do not know what a lift looks like, just Google the name of the exercise and there should be a lot of demonstration videos. Mix in cardio, sprint work, core as you have time. If you are unable to do anything else, sprinting and burpees will go a long way. On Friday: text Coach Groves a picture of your sheet at 618-521-7310 or email to igroves@bentonhighschool.org. Also please send pictures or video clips of you completing a workout, lifting with a teammate, running etc. It will be nice to have at the end of the year when we look back at this time. Any questions, please reach out!
